10. Export Control Laws. Licensee shall comply with all laws and regulations controlling the export of certain commodities and technical data, including without limitation all Export Administration Regulations of the United States Department of Commerce. Among other terms, such laws prohibit, or require a license for, the export of computer software to specified countries, entities and persons. Licensee will indemnify, defend and hold harmless Licensor from and against the consequences of any violation of such laws.

11. U.S. Government Rights. The Software is commercial computer software, as such term is

defined in 48 C.F.R. §2.101. Accordingly, if the Licensee is the US Government or any contractor therefore, Licensee shall receive only those rights with respect to the Software as are granted to all other end users under license, in accordance with (a) 48 C.F.R. §227.7202-1 through 48 C.F.R. § 227.7202-4, with respect to the Department of Defense and their contractors, or (b) 48 C.F.R. §12.212, with respect to all other US Government licensees and their contractors.

12. Force Majeure. Any legal suit, action or proceeding arising out of or related to this Agreement or the Software shall be instituted in the federal court located in the state of Minnesota or the state court located in Nicollet County, Minnesota, and each party irrevocably submits to the exclusive jurisdiction of such courts in any suit, action or proceeding and waives any objection based on improper venue or forum non conveniens.

15. Assignment. Licensee shall not assign or otherwise transfer any of its rights, or delegate or otherwise transfer any of its obligations or performance, under this Agreement, in each case whether voluntarily, involuntarily, by operation of law or otherwise, without Licensor's prior written consent, which consent Licensor may give or withhold in its sole discretion. For purposes of the preceding sentence, and without limiting its generality, any merger, consolidation or reorganization involving Licensee (regardless of whether Licensee is a surviving or disappearing entity) will be deemed to be a transfer of rights, obligations or performance under this Agreement for which Licensor's prior written consent is required. No delegation or other transfer will relieve Licensee of any of its obligations or performance under this Agreement. Any purported assignment, delegation or transfer in violation of this Section 15 is void. Licensor may freely assign or otherwise transfer all or any of its rights, or delegate or otherwise transfer all or any of its obligations or performance, under this Agreement without Licensee's consent.

Notices shall be effective upon receipt.

18. No Waiver. No waiver, alteration or modification of any of the provisions hereof shall be effective unless in writing and signed by a duly authorized representative of Licensor. Waiver by any party of strict performance of any provision of this Agreement will not be a waiver of or prejudice any party's right to require strict performance of the same provision in the future or of any other provision of this Agreement.

19. Severability. The invalidity of any term or provision of this Agreement will not affect the validity of any other provision of this Agreement.

20. Miscellaneous. The section and paragraph headings of this Agreement are for the convenience of the reader only, and are not intended to act as a limitation of the scope or meaning of the sections and paragraphs themselves.
